Translations

Reading through bios and articles for research reasons we find that often there are no French language articles available on Americana-, alt-country and indie folk artists/bands.

Doing some translation work ourselves, since our site is in French only, we now offer the possibility to have your bios and press releases translated (adapted) in French or Dutch tongue. (yes, we also speak Dutch at Americana music France).

Sticking to the average rate of translations, since we don't want to be unfair to other translators, we offer to rewrite your text at a 0.10 € / word.

Reviews

This is a tricky one. Like said already we only do articles on bands we like. We want to keep the site a happy site. However if you think that you got cd's worth reviewing, please let us know either through regular mail (find the address at the bottom of this letter) , [reviewshine](#) (look on our site) or e-mail (info@americanamusic.fr).

It is in a sense possible to buy an article by paying the banner above the article. However, we reserve the right to refuse the option and not to write an article when we think we can't work with the proposal. We would in any case be more than happy with any material to work on, like bios, videos and mp3's to put in the article.

Thanks so far,

Eddie
